28<sup>th</sup> March 2024

Dear Parents and Carers,

I can't quite believe that we are two thirds of the way through this academic year already, the year is going so quickly. Just a reminder that school closes today- Thursday 28<sup>th</sup> March and reopens on Monday 15<sup>th</sup> April. I hope you all have a lovely break and that you get to spend time as a family during the holidays.

### **Great Fire of London: Y2**

It was lovely to see so many parents and carers who visited school on Tuesday this week to watch the Y2 children's performance about the Great Fire of London. The children presented their learning through drama and it was clear that not only did the children enjoy performing to an audience but also how much knowledge they had retained about their historical learning. A huge well done to all our Y2's.

### **Mrs Sumser**

Mrs Sumser will start her maternity leave after Easter, with Miss McAlister covering the Year 5 class, I'm sure you will join with me in wishing her and her husband all the best for their new arrival in April. We can't wait to meet the new addition in the summer term.

### **Bikeability**

The children in Y4 and Y6 have enjoyed their bikeability sessions this week, the Y4 children have practised their skills on the school playground with the Y6 children going out on the roads and practising their cycling skills on the main road. Well done to all children who have passed their assessments in cycling.

### **Bunny Hop**

Thank you to the PTA who have organised the Bunny Hop's for this week. The children were thrilled with their Easter bags that they were given and they enjoyed bouncing around the daily mile in their bunny ears. It was also nice to see the parents and carers bouncing around the daily mile as well this afternoon- thank you to all that supported this event.

### **Red Nose Day**

We raised a wonderful £219.50 last week in our non uniform red nose day. Thank you to all the parents and carers who supported this event.

### **School Uniform shop**

We have been notified this week that Finesse the uniform shop in Macclesfield is changing hands and also location. The new name will be Class Worx, which can be found on King Edward Road in Macclesfield SK10 1AP, 01625 500 552.

Should you need to make contact with school, please don't hesitate to email me on: [admin@egerton.cheshire.sch.uk](mailto:admin@egerton.cheshire.sch.uk) during school hours, please note that unless there is a safeguarding concern then your email will be replied to within 5 working days.

Best wishes

This week we have had an Easter themed week. We have sorted animals that hatch from eggs from those who do not. Some were quite surprising! We also had little egg hunts in the classroom and on Tuesday, the children enjoyed completing the 'Bunny Hop' in their bunny ears. We are all looking forward to Easter now!

LO: Begin to understand that some questions can be answered by testing.

Do taller children have bigger feet?

Child	Height	Foot size
Lucy	125cm	18cm
Runde	123cm	21cm
Raphae	119cm	19cm
James	118cm	18cm
Eastel	113cm	16cm
Sadie	109cm	20cm

Conclusion: taller children don't have bigger feet because Lucy and my sister were sixteen and my sister and Lucy is bigger.

Class 1 carried out a pattern seeking enquiry in Science this week to find out if taller children have bigger feet. Some groups found this to be true but other's results showed that there were still smaller children with slighter bigger feet than the tallest children.

This week year 5 took part in the Easter experience at St John's Methodist Church. They learnt about the Easter Story and how Christians celebrate. We also had a visit from Robert McGinnes, an architect, who shared his knowledge with us about how to build eco-friendly houses. We even had a go at designing our own eco-friendly buildings! Thank you Mr McGinnes, we learnt a lot and had a great time!

This week in Computing, Year 3 have collected some data all about their favourite Easter Eggs. The children collected their own data, put it into a table and then had the choice to form their own bar chart or pie chart, using Purple Mash.
