#	COMMENTS REGARDING COMMUNICATION	DATE
1	Always amazing	7/16/2020 10:26 AM
2	I found the comms from the school, insightful and helpful and appreciated the level of detail provided.	7/15/2020 9:08 PM
3	Couldn't fault it	7/15/2020 1:00 PM
4	There were a lot of different locations for information to be found - tapestry, seesaw, email, website - it would have been easier to have had it all in the same place, although I know that this would not always have been possible	7/14/2020 9:09 PM
5	All communication was timely and effective. Great job!	7/14/2020 1:18 PM
6	Incredible communication, remarked upon by everyone I spoke to	7/14/2020 12:44 PM
7	Open and clear communications were much appreciated.	7/14/2020 12:03 PM
8	Excellent communication throughout this period from Mrs Hooper and the individual class teachers. Remote Friday assemblies were also a brilliant idea!	7/14/2020 10:30 AM
9	Very helpful	7/13/2020 11:16 PM
10	Felt up to date as to what was going on with my child's school	7/13/2020 11:03 PM
11	In this situation, I think over communication is better than too little and Egerton did a great job. I also appreciated your honesty about what you were facing.	7/13/2020 9:50 PM
12	The school communication during the pandemic has been first class in very challenging times for all. It has been clear, concise and informative.	7/13/2020 8:35 PM
13	Communication has been great! It has been timely, open, honest, supportive, clear and factual. We have been kept up to date in every aspect which has been brilliant.	7/13/2020 12:57 PM
14	Mrs Hooper and her team have kept well informed of ever-changing guidance and all the procedures they put in place to keep our children engaged and safe.	7/13/2020 10:48 AM
15	Throughout the period of lockdown I thought the school handled communication with parents exceptionally well. It was a time of lots of miss information in the media but the information from school was always clear, concise and up-to-date.	7/13/2020 9:52 AM
16	Communication was excellent, could not fault it	7/11/2020 7:47 AM
17	We found the communication to be excellent it was open, honest, clear and informative.	7/10/2020 8:38 PM

Q5 Wellbeing Wellbeing was a priority of the school. In doing so we put in place:

- A clear but flexible structure to each day.
- Wellbeing optional activities shared at Easter with Winnie the Pooh stories every day.
- Multiflex consistent message promoting the ways to wellbeing and daily exercise.
- Multiflex forfeit Saturday.
- Mindful exercises including yoga and relaxation scripts.
- Targeted emotional literacy support for specific children and families.
- BBC targeted SEND and wellbeing links and resources.
- Delivery of resources and sensory games.
- Home visits by Mrs Hooper

How did this approach support you and your child/ren?

Answered: 67 Skipped: 0

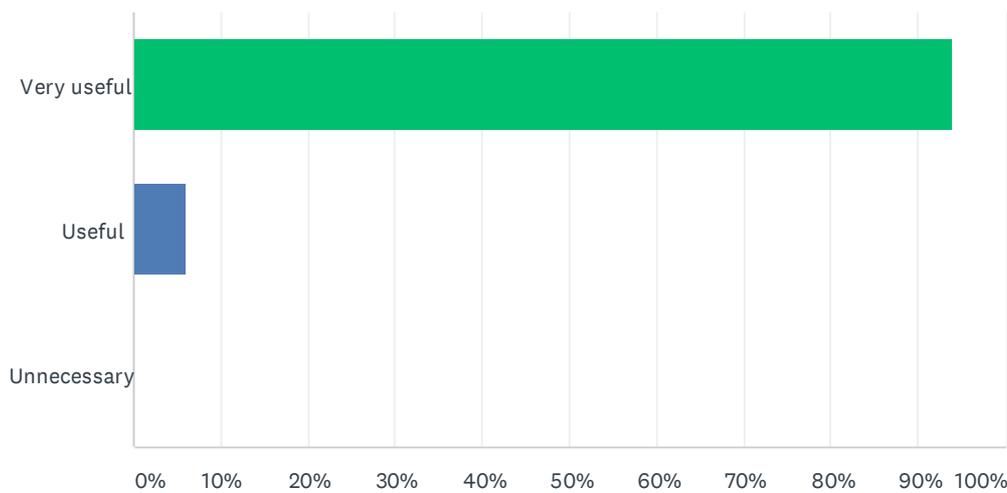

#	RESPONSES	DATE
1	Enjoyed multiflex but have to admit we didn't engage everyday ... But we did do Jo Wickes instead. I have to admit though as a Family with two working parents throughout the entire lockdown and more than one child at Egerton, as a parent I did feel overwhelmed with the volume of posts on Seesaw/tapestry. This did improve with the use of the school website to post resources.	7/17/2020 12:50 PM
2	The visit was so personal and we really felt connect to school through this difficult time. I felt the well-being of the children was at the forefront of everything Egerton did to support us.	7/16/2020 3:52 PM
3	Nice that there was a lot to choose from and not feel obligated to partake in everything.	7/16/2020 12:40 PM
4	We all loved our Mrs hooper visits and mr Webb	7/16/2020 10:26 AM
5	The activities provided a good structure which helped us to plan our day. We were able to vary our days which helped to maintain interest. It was very thoughtful of Mrs Hooper to visit us during lockdown, this visit along with the teachers daily videos about lessons and story time helped us all feel like we weren't losing touch with everyone, which was important as our child mentioned that he missed school, his friends and teachers quite often.	7/15/2020 9:08 PM
6	Engaged with multiflec but not really the others- no wellbeing issues	7/15/2020 1:37 PM
7	Great to maintain contact with school and for the children to see Mrs Hooper in person brought school closer to them again.	7/15/2020 1:02 PM
8	In every way. It kept the family engaged with a pathway , something to aim for, a target to be met therefor, a routine to be adhered to. Very good	7/15/2020 1:00 PM
9	We had a regular schedule and routine supported by teachers comments and support . Which gave some normality to our lives .	7/15/2020 11:34 AM
10	Very supportive and beneficial to both parents and children.	7/15/2020 10:33 AM
11	They felt happy and supported	7/15/2020 10:02 AM
12	They felt emotionally supported, happy and content.	7/15/2020 9:57 AM
13	We felt we still had connections to school and the children loved it.	7/15/2020 9:23 AM
14	The children loved the Multiflex forfeits on a Saturday but as a parent I found it dragged them back into school and onto a screen, a clear break at the weekend may have been better. Winnie the Pooh reading, and the yoga were lovely changes of pace for the children. The delivery of resources was lovely, but the messages building up to them led us to believe there would be more learning support in them rather than just supplies Visit from Mrs Hooper was much appreciated but would have been better if we had known the day as we were out on our daily exercise when she dropped by and therefore missed her.	7/14/2020 9:09 PM
15	Absolutely spot on! There was enough structure without it feeling overwhelming. The morning messages, Multiflex activities, afternoon stories, Friday assemblies and Multiflex forfeits, along with all the other wellbeing measures, provided excellent structure and familiarity for the children.	7/14/2020 1:18 PM
16	The support we received was fantastic and we could not have asked for more. Mrs Hooper visiting every child was just above and beyond. We were in awe of the school's support.	7/14/2020 12:44 PM
17	Clear structure for each week with in - built flexibility allowed us to plan ahead. The mantra - "what you can, when you can, relax and have fun", together with the Multiflex challenges helped to alleviate stress points. I think Egerton got this balance just right.	7/14/2020 12:03 PM
18	Fantastic	7/14/2020 11:59 AM
19	All great. We really appreciated the structure provided in terms of morning messages from teachers, work set by teachers, Multiflex challenges, afternoon stories, Friday assembles, Multiflex forfeits and so on. Home visits were also a lovely surprise.	7/14/2020 10:30 AM
20	These measures made my child feel happy and at ease with the strange world around him.	7/14/2020 7:44 AM
21	The support given was phenomenal. We felt in touch and still a part of Egerton every day. The commitment from the teachers was amazing and the visits and delivery was so special.	7/14/2020 6:17 AM
22	Me and my child felt fully supported, involved and never forgotten about. Fantastic "routine" and "normality" maintained at a very uncertain time in our lives	7/13/2020 11:16 PM
23	Me and my child felt connected to school and supported in a wide and varying way. I cannot praise the school/staff highly enough.	7/13/2020 11:03 PM

24	My daughter coped pretty well with lockdown and although she didn't engage with Multiflex / mindfulness etc I think she felt close to her school and part of her class. She was secure and happy.	7/13/2020 9:50 PM
25	Yes. Billy loves structure and this was maintained as much as possible remotely by the school, thanks to the number of regular activities	7/13/2020 9:48 PM
26	It allowed us to keep the children connected to the school which was very important.	7/13/2020 8:35 PM
27	We felt very supported. Feedback from Miss Garvey was fantastic. We loved our home visit from Mrs Hooper	7/13/2020 8:31 PM
28	We felt very supported. Feedback from Miss Garvey was fantastic. We loved our home visit from Mrs Hooper	7/13/2020 8:30 PM
29	Yes, it gave great variety and kept the children engaged.	7/13/2020 7:35 PM
30	It was all very useful and needed most days	7/13/2020 6:30 PM
31	That they could pick and choose which activities to complete at their own pace	7/13/2020 5:24 PM
32	Good that there was no pressure to complete every task	7/13/2020 5:21 PM
33	Gave us a focus and connection with school	7/13/2020 3:50 PM
34	Well	7/13/2020 3:48 PM
35	It gave us a clear structure and focus each day which we were extremely grateful for.	7/13/2020 3:45 PM
36	As a family, we really appreciated the support and obvious effort that has gone into ensuring the wellbeing of the children.	7/13/2020 3:41 PM
37	There was always an option to be connected to school which was great.	7/13/2020 3:38 PM
38	It worked brilliantly initially but as time went on, the enthusiasm dwindled. Not sure that the school could have done a lot more. Maybe some telephone calls from the teachers to the children might have helped.	7/13/2020 3:30 PM
39	Excellent	7/13/2020 3:05 PM
40	Excellent	7/13/2020 3:03 PM
41	We only did the school work, with a complete break from seesaw over the holidays	7/13/2020 2:41 PM
42	We only did the school work set not the extra activities, with a complete break during the holidays	7/13/2020 2:38 PM
43	the work structure was good but to to be honest we didnt really use the rest due to time commitment of work. The mutiflex challenges were great but we didnt participate as not into sport very much although loved watching the forfeits	7/13/2020 2:33 PM
44	I feel the flexible structured day worked very well in keeping some normality within the day, whilst not feeling too pressured. It was nice of Mrs Hooper to visit us at home, I think it helped to give my child a sense of still being within the school community in such unusual times.	7/13/2020 2:24 PM
45	It was all very helpfully	7/13/2020 2:21 PM
46	This approach was excellent.	7/13/2020 2:05 PM
47	This approach was excellent.	7/13/2020 1:52 PM
48	Wellbeing has been brilliant. Our children loved the Easter activities that they picked to complete over the holidays and since then they spent their time during lockdown focusing on kind and positive activities. The videos and structure received from their teachers daily were fantastic and easy for them to follow. They listened to and enjoyed all the stories, they were greeted with a happy and positive message each day before they started their work and received lots of interaction and comments on their work which were always positive, supportive and helpful! They enjoyed all the assemblies and it was nice to hear about all the other classes and their friends across the school. It was a lovely surprise to see their Visitors at the door and they were very excited to receive new books, sunflowers, pencils etc The daily Multiflex challenges were brilliant. It broke up their working day and certainly kept them fit and active. They also took part in all the activities which again promoted kindness and positivity. They were kept busy completing sport activities everyday that were fun and encouraged them to have a go and learn new skills. They have several videos to look back on and remember how much fun the had! The wellbeing approach was great and very supportive for our children!	7/13/2020 12:57 PM

49	Zoé felt a bit overwhelmed by the wealth of resources and messages at first but was soon reassured but the « do what you can, when you can » approach and she actually enjoyed online working once the pressure was gone.	7/13/2020 10:48 AM
50	Helped to structure the day and keep them motivated	7/13/2020 10:33 AM
51	It's helped a lot on the days where the child needed abit move Motivation to get the work done.	7/13/2020 10:28 AM
52	The approach struct a great balance between the routine of school work and acknowledging that things were different. It worked very well in our family.	7/13/2020 9:52 AM
53	The wellbeing tasks and support received has been wonderful. The children loved the Multiflex activities, the wellbeing resources and assemblies. It definitely helped give a real sense of school life and the whole experience rather than just the school work aspect. We all enjoyed feeling as though we were still connected to school during the holidays with Multiflex and stories and video updates.	7/12/2020 5:11 PM
54	It gave us new things to try for activities and kept the contact with the school	7/11/2020 7:47 AM
55	This approach reassured our daughter during a difficult time.	7/10/2020 10:00 PM
56	Great planning and ideas delivered throughout the weeks which were flexible and helped when required.	7/10/2020 9:39 PM
57	The efforts of the staff have been above and beyond, and the materials they made assessable to my Son and our family were and still are an invaluable resource .	7/10/2020 8:49 PM
58	It kept us 'grounded' and reassured that life will be ok!	7/10/2020 8:42 PM
59	Brilliant, the children loved the visits off the teachers. They took part and enjoyed the wellbeing activities and multiplex and we're encouraged to spend lockdown focusing on kindness and positivity. It really was great!	7/10/2020 8:38 PM
60	We haven't drawn on much of the wellbeing support as I felt we had adequate resources and plans in place but it's been reassuring to have it there as an option.	7/10/2020 5:22 PM
61	This gave us a framework that we could pick up and adopt	7/10/2020 4:55 PM
62	The school went above and beyond in these areas and the children felt very in touch with their school and teachers making the transition back into school seamless	7/10/2020 4:49 PM
63	Plenty of options to dip in and out of.	7/10/2020 4:03 PM
64	The information provided on a day to day basis was overwhelming, this might work well for many families, but when the sole parent has to work full time and longer hours as a key worker it was all too much to keep up with.	7/10/2020 3:29 PM
65	Having 4 'challenges' each day was very helpful as we could build a routine around them. Being able to see the teacher each day was also a benefit, my child definitely prefers to do as the teacher says rather than us. I also liked being able to upload work and videos - once we worked out how t do it!	7/10/2020 3:24 PM
66	provided structure and routine with flexibility as this was very much needed and kept stress at bay. However i felt it important to upload the days work on the day, so it did not mount up	7/10/2020 3:22 PM
67	Not engaging	7/10/2020 3:18 PM

Q6 LearningChildren have a right to an education and therefore it was out duty to provide this during lockdown. The already planned themed curriculum for the summer term was adapted for remote learning. However, we recognised that in the majority of households parents had to continue to work. We worked hard to listen to the experiences of our diverse families and tweaked and refined our approach as the weeks went by eg. Activities moving to the website2 weeks of hard copy packs were prepared for the first 2 weeks of lockdown. These were:

#	PLEASE TELL US YOUR OVERALL THOUGHTS	DATE
1	Both parent and child found both of these very useful	7/17/2020 12:50 PM
2	We felt really well informed	7/16/2020 3:52 PM
3	I didn't use the timetable but the overview section were very useful to me more than anyone. I like d being able to tick off what work was done each day.	7/16/2020 12:40 PM
4	Always helpful	7/16/2020 10:26 AM
5	I found the overview incredibly helpful. The links made find resources easy too, which we were grateful for. It helped make homeschooling and working more manageable	7/15/2020 9:08 PM
6	Clear and precise and easy to follow	7/15/2020 1:00 PM
7	We felt as connected to the school as we could be in a difficult situation .	7/15/2020 11:34 AM
8	Very helpful and ensured there were no surprises with working arriving at ad-hoc times.	7/15/2020 10:33 AM
9	It was much appreciated that morning messages were posted early on tapestry as it meant that we could set tasks prior to beginning our own work.	7/14/2020 9:09 PM
10	The overview documents for each week were particularly useful, supplemented with the morning messages from the teachers.	7/14/2020 1:18 PM
11	The weekly overview was excellent to enable planning of resources (printing, pre - reading of texts, internet research etc.). The visual timetable provided us with a useful way to introduce the day's activities and discuss the order in which we would complete them.	7/14/2020 12:03 PM
12	The overview in particular was very useful.	7/14/2020 10:30 AM
13	The overview was extremely useful because it gave us the ability of being flexible - we were able to mix-and-match the schoolwork around our days (some were busier than others when both of us were working but we could support our son on quieter days).	7/14/2020 7:44 AM
14	The information was excellent..easy to find and follow.	7/14/2020 6:17 AM
15	The overviews allowed me see what activities were planned for the week for my child which was extremely helpful	7/13/2020 11:16 PM
16	This enabled me to plan our time at home effectively	7/13/2020 11:03 PM
17	I thought you did the very best you could in the circumstances. The close attention of the teachers was much appreciated. The structure of daily maths/English worksheets wore thin towards the end without the fun of the classroom and we all got a bit bored with so many similar tasks. The creative tasks eg mask making are most parents nightmare and given the additional stresses of lockdown, didn't really get done. But I would say overall that learning hasn't suffered much if at all, and in some cases the one to one attention of a parent has led to accelerated progress eg learning fractions, reading. I think we've all learnt what can be done effectively via video and would love to see that continue. We especially loved story time.	7/13/2020 9:50 PM
18	The timetable helped us understand each day	7/13/2020 9:48 PM
19	Miss Garvey's instructions were very clear and therefore not required.	7/13/2020 8:35 PM
20	Good structure to the day	7/13/2020 8:31 PM
21	Good structure to the day	7/13/2020 8:30 PM
22	Great to have the work set in advance so you could see what was required each day.	7/13/2020 3:50 PM
23	Great variety of tasks for Year 1 which was really useful.	7/13/2020 3:45 PM
24	The overview of the week was very helpful. We didn't really use the visual timetable.	7/13/2020 3:41 PM
25	We have struggled to maintain the school work. Enthusiasm has dipped considerably since the May half term. We did have a video message from Miss Garvey but I think maybe a phone call occasionally may have helped. Overall, Miss Garvey did an amazing job and her enthusiasm was brilliant. I just wish we'd been able to keep up the work at home.	7/13/2020 3:38 PM
26	The bug club worked really well for us and we would have loved it to continue.	7/13/2020 3:30 PM
27	This helped us to apportion our time.	7/13/2020 2:24 PM
28	The children loved to see and hear their teachers on the videos. The links were available 3 days in advance and easy to find and follow. The over view and links were really helpful to	7/13/2020 12:57 PM

check all work had been completed and to save time search for activities. They children could navigate around their work on their own and very quickly got used to the new routines because they were so clear and easy to follow. Thank you!

29	This gave us an idea of how to organise the week's work whilst maintaining flexibility	7/13/2020 10:48 AM
30	It was really useful for the children to have a guide as to what was expected from them each day and what they would be doing through the week.	7/12/2020 5:11 PM
31	You were all amazing; the support, communication and effort was second to none, absolutely amazing and faultless. You made a very intense and hard situation much easier and I would not have been able to homeschool without the information provided. Thank you so much to everyone, you are all superstars	7/11/2020 7:47 AM
32	The information and work set helped us add structure to our day and our daughter enjoyed the work.	7/10/2020 10:00 PM
33	This helped us enormously, as we could plan ahead and still have a structure to the day. It also kept the staff present in connection to my Sons learning.	7/10/2020 8:49 PM
34	We thought it fantastic that the children were able to see and hear their teacher daily. Their messages were always so positive and their videos were very helpful and informative and really supported the children with their work.	7/10/2020 8:38 PM
35	All of these made the working/home schooling experience achievable.	7/10/2020 3:24 PM
36	The weeks are numbered and the terms named . On week we printed the wrong days work and on the piece it self the work is not dated so we did a days work on th wrong day and had to trawl back. It should not have happened as the days schedule and morning message is back up but towards the end of COVID, the odd morning message was not listened to by the parent. Overall the Timetable and morning message is very necessary. Thank you very happy	7/10/2020 3:22 PM
37	Not engaging enough	7/10/2020 3:18 PM

**Q14 Extra-Curricular Activities** An important aspect of children’s learning is enrichment. During lockdown these included physical exercise, mindfulness and maintaining connections with the community and wider world. Activities included:· Spanish activities, films and stories· Music lessons from the Love Music Trust including on line tuition· Multiflex daily exercise challenges and forfeit weekend· Mystery Readers to promote the love of reading· Celebrating Royal May Day and VE Day· Supporting Chester Zoo to remain open· Creating ‘The Egerton Lockdown Cookbook’· Local, national and global news, events and activities· Tatton Park Farm video· Seesaw and Tapestry enabling a sharing of experiences across the class from children eg. Videos of dance, baking, dressing as favourite film characters etc  
The approach to extra-curricular activities and enabling the children to remain connected was:

1	Appreciated our music lessons continuing and this has been a really useful insight as a parent into this teaching Teacher reading story chapters was lovely	7/17/2020 12:50 PM
2	We struggled due to working to keep up with multi flex but for children that could it was great	7/16/2020 3:52 PM
3	We continued guitar lessons online which were great. I enjoyed listening to the lessons and being able to chat with the teacher at the end. My son made great progress. Multiflex was great at the start but sadly we didn't stick with it. We'll catch up with the forfeits as they provided many laughs. Mr webb and his team are talented, funny, and bonkers!!	7/16/2020 12:40 PM
4	It was a lot of activities to keep up with at times .	7/15/2020 11:34 AM
5	Very important to feel connected during a difficult period for everyone.	7/15/2020 10:33 AM
6	The children loved taking part in activities that would form part of their 'normal' school experience.	7/15/2020 9:23 AM
7	The cook book is an inspired idea and we would like to thank Mrs Rowlands especially for organising - such a lovely moment I from the time and all for a good cause too!	7/14/2020 9:09 PM
8	Seesaw has been fantastic and has really come into its own during this period of remote learning. The children have appreciated being able to send in their work and receive feedback and have really enjoyed being able to share some of their more fun projects and out of school activities, creations and achievements! The Egerton Lockdown Cookbook was a great idea and Multiflex have done an amazing job, including making the children giggle a lot with all their forfeits. Spanish stories and songs also great.	7/14/2020 1:18 PM
9	Seesaw was outstanding. The isolation of Lockdown was eased considerably by this window on the wider Egerton World.	7/14/2020 12:03 PM
10	We particularly enjoyed the Spanish and Multiflex activities.	7/14/2020 10:30 AM
11	Made the weeks more fun! (As our son pointed out to us - "you know we don't just do maths & English all the time in school - we do fun things too?")	7/14/2020 7:44 AM
12	Sometimes it was difficult to get my daughter to engage in the extra curricular activities but there was always something available to them which was fantastic	7/14/2020 6:17 AM
13	These were all amazing, especially Multiflex we did so many of their daily challenges as a family and we always looked forwards to the Saturday forfeits (great to see some many school staff getting involved too)	7/13/2020 11:16 PM
14	This gave a good balance between core subjects and extra curricular educational areas	7/13/2020 11:03 PM
15	The team at Multiflex were simply phenomenal and deserve so much praise. Spanish resources were also great. We were not convinced by the music though!	7/13/2020 9:50 PM
16	We loved the Multiflex challenges each day. It gave us a daily after lunch focus.	7/13/2020 3:50 PM
17	We loved Multiflex and all the challenges. The 1pm daily focus gave us an after lunch challenge and focus.	7/13/2020 3:45 PM
18	They really enjoyed all these activities Spanish, music, mystery readers and multiflex. They joined in all the activities and because they were encouraged to bake, support Chester zoo, celebrate the May Day/ve day etc they put their time to good use and never really had time to feel bored or miss some of the activities that they had been looking forward. Instead, they were encouraged to continue to make them fun and celebrate them in different ways which was great!	7/13/2020 12:57 PM
19	We really appreciated the variety of activities and the constant interactions however we were a bit overwhelming by the many sources and felt we couldn't make the most of all the activities. But we might get back to them over the summer break.	7/13/2020 10:48 AM
20	The children loved getting involved.	7/12/2020 5:11 PM
21	The amount of effort into preparing these activities was well received, and kept the school ethos alive.	7/10/2020 8:49 PM
22	It was great to get these extra activities as the children really enjoy them when they are in school. They really enjoyed them at home also! This was brilliant. They loved taking part in them all and enjoyed sending in videos to their teachers. They were also really happy to receive teacher comments and replies!	7/10/2020 8:38 PM
23	I'm sure it benefited many families but it was too much for us. I had no time to support my	7/10/2020 3:29 PM

	child getting involved in these activities	
24	Some of these activities would be nice to have continued	7/10/2020 3:24 PM
25	This an area i struggled with at times. Perhaps boys require something that shows other peers doing the activity and doing some kind of share or buddying up for the exercise a bubble group?	7/10/2020 3:22 PM

**Q15 Wider Opening** Public government daily briefings and guidance provided to schools were at times vague and often confusing. The safety of the children was the principal priority in the wider opening of the school. A phased return to school for Reception, Year 1 and Year 6 starting from 15 June was agreed by KMAT. Written communication to parents regarding the wider opening of the school was: (tick as many that are relevant)

1	Method was good - disagreed with priority order. Other areas prioritised differently.	7/15/2020 1:37 PM
2	Question only allows for ticking one option?	7/15/2020 10:33 AM
3	This was also as timely as possible under the circumstances but it won't let me click both!	7/14/2020 9:09 PM
4	Great communication on this. Thank you.	7/14/2020 1:18 PM
5	It was appreciated that the school was in a very difficult situation and did very well in the circumstances.	7/13/2020 8:35 PM
6	This would only let me choose one option. We appreciate the pressure placed upon schools and the extensive guidance / changes. They were as detailed as they could be.	7/13/2020 3:45 PM
7	Clear, timely, open and honest communication. Great level of detail and easy to understand.	7/13/2020 12:57 PM
8	Mrs Hooper has done an amazing job, of delivering the information to parents in a clear and reassuring manner. This gave our family a lot of reassurance and confidence with all of her decisions.	7/10/2020 8:49 PM
9	We thought the communication was clear, detailed and again open and honest. It also looked like the school were taking the plans very seriously and doing everything they could to follow guidance and provide a safe environment for everybody involved.	7/10/2020 8:38 PM

Q16 For the parents of key workers, Reception, Year 1 and Year 6 children it was our priority to support the children and prepare them for life back at school from 15 June onwards. We did this by providing:  
 Clear written arrangements for parents  
 i-movies for the children so they could visualise life back at school  
 leaflets and activities for the children that were age appropriate  
 I felt I was well informed as a parent regarding arrangements for my child to return to school:

1	Clarity and detail of communications helped a great deal to relieve the worries of a return to school.	7/14/2020 12:03 PM
2	I don't recall receiving an iMovie for my key worker child. Also a rough guide to a days time table with times of breaks/lunch could have been useful	7/13/2020 11:16 PM
3	Especially felt the iMovie was valuable	7/13/2020 11:03 PM
4	All these resources made the transition back into school very easy.	7/13/2020 8:35 PM
5	The videos of how different things were going to be in school were excellent.	7/13/2020 9:52 AM
6	In a very uncertain time, Egerton leadership provided calm guidance that was very reassuring.	7/10/2020 4:55 PM

1	So many amazing videos and messages were sent	7/16/2020 10:26 AM
2	With the lack of clarity from the Government and the Covid 19 media blitz, it was inevitable that our child had some concerns about returning to school, but feel that Egerton did all that could be done to relieve these.	7/14/2020 12:03 PM
3	I feel the video was slightly misleading to parents of reception children as it appeared that social distancing would be happening, however I know that government guidelines state that wasn't possible for this age group. I would however have preferred to know this was the case before sending back	7/14/2020 11:59 AM
4	My daughter was excited about returning to school and was well prepared for it.	7/13/2020 9:52 AM

1	We have missed the social side of school hugely,	7/17/2020 12:50 PM
2	I stayed more engaged thru Seesaw than my son but kept him up to date with what was being posted. I mostly uploaded his work, etc. Perhaps a few live lessons or smaller group zoom lessons would have held him more accountable and engaged.	7/16/2020 12:40 PM
3	The teacher continued to provide a good curriculum and support whenever needed . Often going the extra mile .	7/15/2020 11:34 AM
4	Although communication on seesaw was very good, It would have been good for the children to have some individual connection with teachers - for example a call or short FaceTime maybe once or twice during lockdown.	7/15/2020 10:02 AM
5	The communication between teachers and children has been fantastic, particularly in terms of the morning messages and feedback on work (and non-work) submitted. We really appreciate the effort Miss Babinska has made in providing lots of encouraging feedback despite being very busy being deputy head and teaching at school! Having the regular events during the day - morning messages, Multiflex, afternoon stories, etc. - has been great.	7/14/2020 1:18 PM
6	We struggled with motivating Mia to do home learning but were very well supported	7/14/2020 12:44 PM
7	Didn't notice any change at all - as I had feared there might be. Still felt well-supported at home.	7/14/2020 7:44 AM
8	Whilst my child has missed his friends, the school has been very good at keeping him connected.	7/13/2020 8:35 PM
9	Through no fault of the school's, we haven't felt very connected. I have been very concerned about the lack of home schooling versus trying to work/maintain my sanity! I know the school emphasised doing what you can and we have been learning in other ways.	7/13/2020 3:38 PM
10	It felt like everything continued as before. We didn't notice a difference, work and communication remained the same. The teachers continued to support the children, answer question and comment on work. This must have been difficult and time consuming to manage both so it's been greatly appreciated that we continued to receive fantastic support at home. Thank you! It was also great that the multiflex challenges continued during this time.	7/13/2020 12:57 PM
11	The continued support from staff, and the resources made available gave my Son a well maintained link to his learning.	7/10/2020 8:49 PM
12	We didn't notice a difference. Everything continued. It was great that the multiflex challenges continued. It was also nice to see some videos and activities of children back in school. The teachers continued to be available and commented on work and always responded really quickly which must have been difficult Juggling everything...we appreciated their continued support!	7/10/2020 8:38 PM
13	my son set up a class discord it really helped him	7/10/2020 3:22 PM

1	We have always felt well informed and looked after	7/16/2020 10:26 AM
2	Perfect - efficient and effective.	7/14/2020 1:18 PM
3	Communication was outstanding.	7/14/2020 12:03 PM
4	Excellent communication from school and individual teachers. Thank you!	7/14/2020 10:30 AM
5	Communication was great. If the children were stuck they just asked a question and got an instant reply. We were kept up to date on all changes during lockdown. The daily structure was brilliant. The messages do what you can when you can were supportive. Every communication was positive. Thank you!	7/13/2020 12:57 PM
6	It was lovely of Mrs Hooper to call round and see how Roman was doing, also Mrs Babinska has been completely supportive and responsive. Fiona and Debbie have also been excellent in dealing with any queries I have had.	7/10/2020 8:49 PM
7	All communication was positive, timely, informative, clear, open, honest, supportive! Newsletters continued, the children loved the assembly, stories, daily videos. They really were very lucky to receive all of this and have this structure to their day during lockdown. Thank you all, very much!	7/10/2020 8:38 PM

**Q22 Overall provision** During this unique time we have worked hard to ensure that all children and their families continue to feel supported and connected to our school and that your children continue to learn and thrive. What is your overall experience of this:

1	The amount of work set out every week and timely response to questions and encouraging feedback was all great. We felt we could do just about every task on a weekly basis and what we haven't gotten to over the past few weeks we plan to do this summer. The constant visibility on Seesaw was much appreciated and I did what I could to keep my son engaged.	7/16/2020 12:40 PM
2	Best out of all the a primary schools in Knutsford from what I gather when teaching the children	7/15/2020 1:00 PM
3	We definitely felt connected to school and think the staff have done a wonderful job. The children have seen it as a positive experience.	7/15/2020 9:23 AM
4	We really appreciate everything the Mrs Hooper, the class teachers and all the other support staff have done during this period. It has been absolutely fantastic and we can't fault it at all. Thank you!	7/14/2020 1:18 PM
5	We felt a very strong connection to Egerton. Often, Miss Capper would provide feedback within five minutes of our child posting work to Seesaw!	7/14/2020 12:03 PM
6	We have really appreciated all the effort the school has put in during this period. The teachers have been fantastic in providing a well thought out work plan for each week, communicating with the children through their morning messages and providing plenty of feedback. Mrs Sumser has been really great!	7/14/2020 10:30 AM
7	The support, communication and effort from Egerton has been outstanding during this time. What could have been a much more difficult few months has actually been extremely supportive and the communication has been outstanding. At all times we felt safe and secure as a part of the Egerton family!	7/14/2020 6:17 AM
8	Egerton has gone above and beyond what has been expected and of what other schools have provided	7/13/2020 11:16 PM
9	Couldn't have asked for more	7/13/2020 11:03 PM
10	Compared to stories from other local primary schools and our experience of Knutsford Academy, Egerton has been brilliant. The only gripe has been that Seesaw is really not user friendly and the palaver of downloading, reformatting and printing from multiple documents has been painful, taking up to an hour on some days. I had hoped some whole class teaching would have been possible via Zoom or Teams and that would be an aspiration if we're ever in this situation again. Also a thumbs up for White Rose as a great resource. Thank you to all the staff for supporting the children so well.	7/13/2020 9:50 PM
11	We think you have done an amazing job!	7/13/2020 3:30 PM
12	We only really have positive things to say. The approached was perfect for us and worked really well for the children. They were definely supported and connected during lockdown.	7/13/2020 12:57 PM
13	I had every confidence that the staff at Egerton would cope and deal with this situation, which thy have done to an exceptional level.	7/10/2020 8:49 PM
14	You have all been amazing, we can't thank you enough!	7/10/2020 8:38 PM
15	The school's and the teachers' approach to ensuring that the children could continue with their learning throughout lockdown, and that we as parents were set up to home school them effectively, has been exemplary. It has felt pragmatic, flexible and highly supportive, making what felt in March like a daunting, potentially unmanageable task something that has actually turned out to be an enjoyable, once-in-a-lifetime experience that we will remember forever. I can't thank you enough for everything you've done for Teddy and for me in supporting us through this period, ensuring that we've still felt connected to Egerton and his teachers, on top of his learning and confident that he will be ready and excited to start Year One in September.	7/10/2020 5:22 PM
16	The school did an amazing job, but it was too much for us to keep up with due to our personal circumstances.	7/10/2020 3:29 PM

**Q23 September Opening**The government has announced that all children are to return to school in September. They have issued guidance that is being considered by all schools according to their size and context. Egerton's plans will be finally confirmed mid to late August and shared with you as in 7 weeks this may radically change, or not. Today's newsletter provides some basic indications at this time as to what the arrangements will be. It would be useful for us to know any questions you may have regarding this to enable us to communicate with absolute clarity for you and your children.

#	RESPONSES	DATE
1	None	7/17/2020 12:50 PM
2	Seems like being in close quarters indoors for extended periods of time is where the virus likes to spread. In what ways will this be addressed? Any talk of masks in schools? Any plans for creating sheltered outdoor learning spaces? What will be the guidance on sending kids to school with what appear to be just cold-like symptoms? Potentially no threshold at all as to not take chances? A big part of our feeling confident in returning to school is that other parents make the same well-informed decisions that we plan to do. We totally welcome the return of a school routine and trust the school to do their best to keep students safe and healthy.	7/16/2020 12:40 PM
3	We would be very interested in using Egerton Lions for before and after school on a Monday -weds. Thanks for all your support thus far.	7/15/2020 1:02 PM
4	No questions at present, though it would help to have the opportunity to ask questions when more details are known/confirmed. It would also help to receive some form of communication prior to late August, particularly if the return to school date remains as September 3rd.	7/15/2020 10:33 AM
5	Will there be any leeway to drop off/pick up siblings at the same time? Will Lions be back? Will PE kits be required to be brought in and returned home on the day of their PE lesson?	7/14/2020 9:09 PM
6	Could Seesaw be used over the Summer Break to keep parents informed?	7/14/2020 12:03 PM
7	No specific questions	7/13/2020 9:48 PM
8	No question. Happy with the communication we received and understand how quickly things can change therefore we'll wait to hear nearer to September.	7/13/2020 7:35 PM
9	We are happy with the communication received in last weeks newsletter. Again it was timely, clear and easy to follow. We don't have any questions.	7/13/2020 12:57 PM
10	To have constant updates on the Governments guidance for our schools.	7/10/2020 8:49 PM
11	The communication regarding this has been clear. We don't have any questions.	7/10/2020 8:38 PM
12	For our family it will be the need for wrap around care and whether this will be available. As I have just read in the newsletter I understand that this is yet to be confirmed. Thank you for everything.	7/10/2020 4:49 PM
13	BaME ethnic Groups...and over 50's that will be me next year. No t sure the School can do anything about this but perhaps offer some thought on how Parent co working and class Messages to parents can be conveyed via a video message instead of attending the school?	7/10/2020 3:22 PM
