THEME	ROMAN BRITAIN		ELECTRICITY		WATER WORLD		THE INDUS VALLEY		INDIA		SOUND	
Five Enquiry Questions	<ol style="list-style-type: none"> Was the Roman army really as Powerful as History suggests? Why did the Roman's want to invade Britain when they were already so successful? Did the Celts try to resist the Roman invasion? Did the Romans have an impact on Britain during the Roman era and in today's modern world? What was life like in the North West during Roman times? 		<ol style="list-style-type: none"> What are the danger of working with electricity and what precautions should we take? What things around me run on electricity and how are they powered? Which materials conduct and which insulate? Why are wires made of metal and safety gloves made of rubber? How does a light switch work? Why do some places have limited access to electricity and how does this affect the lives of the people who live there? 		<ol style="list-style-type: none"> What is the journey of a river and does it ever change? Are rivers important to humans and animals? Is there a reason why rivers flood and do they flood in certain area more than others? Why are some areas of the world without access to clean water? Are humans causing damage to rivers? 		<ol style="list-style-type: none"> How does the Indus Valley civilisation achievements compare to other civilisations? What did archaeologists discover about Indus Valley settlements? What was everyday life like in the Indus Valley? What has been found from the Indus Valley? Why were many Indus cities abandoned? 		<ol style="list-style-type: none"> What is the climate in India? What geographical features could I find in India that I wouldn't have seen before? What are the major rivers in India? Why is the population of India more than 20 times bigger than the United Kingdom? What is daily life like in India? 		<ol style="list-style-type: none"> What is it inside my ears that allow me to hear sound? How does sound travel from an object to my ear? What can stop us from hearing sounds? Why does a bell feel like its buzzing when it rings? Why does my friend in the distance sound so quiet when I know he's shouting so loudly? 	
Key subject driver and National Curriculum statements	HISTORY The Roman Empire and its impact on Britain.		SCIENCE Electricity		GEOGRAPHY Rivers		HISTORY An in- depth study of the Indus Valley		GEOGRAPHY Study of India		SCIENCE Sound.
