Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

26th April 2024

Dear Parents and Carers,

As the weather is getting better, the children have now moved to playing on the field and using all the space outside at lunchtimes and break times. It has been lovely to see our Reception and Year 1 children integrating with our older children at these times as well.

I will be out of school on Wednesday 1st May until Friday 3rd May with the Year 2 children on their residential to Burwardsley. If you need to speak to a senior leader in school, then Mrs Sedgwick will be on hand in my absence. If you need to speak with Mrs Sedgwick, please make contact through the school office during school hours, but please also remember that she will be teaching her Y6 children, so will get back to you as soon as she can.

Netball Y5/6

A huge well done to our netball team who played Bexton on Tuesday night this week and Mobberley last night. Even though the score was 5-2 to Bexton and also to Mobberley, the girls played amazingly well and Miss Capper said that it was the best she had seen the girls play all year! Well done girls!

Summer dates

Please take a look at the new dates that have been added to the newsletter including the date for our summer fair in July. In addition to this, please note one of our Y6 leavers play performances has had to be changed from the 10th July to the 9th July due to the Y6's transition day at the Academy.

Attendance

This week's winners are Y4 in 1st place with 100%, in 2nd place are Y2 with 99.3% and in 3rd place this week are Y6 with 99.0%. Well done to Y4, it's been a while since you topped the leaders board!

E-safety

This free information guide explores the potential pitfalls of shopping apps, offering advice on how to use these services more safely. Please see the attached flyer for further information.

Should you need to make contact with school, please don't hesitate to email me on: <u>admin@egerton.cheshire.sch.uk</u> during school hours, please note that unless there is a safeguarding concern then your email will be replied to within 5 working days.

Best wishes

Caroline Lowe

Head Teacher

This week in Reception, we have been very busy! We have been reading The Giant Jam Sandwich by John Vernon Lord and followed a wasp-based theme in our creative activities. In maths, we have been looking at the number 6 and finding ways of being able to recognise that it is 6, without having to count. The children were able to identify that 3 and 3 make 6, as well as 4 and 2 and 5 and 1.

This week Year 3 have started their new writing project focusing on the book 'Amazing Rivers' by Julie Vosburgh Agnone. The children made predictions about what the book was going to be about based on the front cover and the author's message. Following this, Year 3 looked a world map showing different rivers and all wrote down some questions that they would like to have explored within their writing project.

Year 6 have been learning about Alberto Giacometti this and last week. They have researched his work and the sculptures he made. They also started creating their own examples in next week's newsletter.

In Year 2 this week, the children had their second session of Golf for their P.E. unit. There were lots of smiles and they had great fun trying to hit the ball to a specific target.

Year 4 really enjoyed their first tennis lesson with Mark Airey this week. They learnt many new skills and really enjoyed their first session.

Thank you to Mr Airey for a fantastic start to our tennis training.
