Ready to learn. Ready to thrive. Ready for tomorrow.

At Egerton we aspire to create an inclusive environment where all students and staff can flourish. We strive to nurture curious minds, so that all children leave school as confident, compassionate and globally aware citizens.

28th June 2024

Dear Parents and Carers,

As it seems the summer has finally arrived- better late than never- please can I remind you to send your children in with a sun hat, sun cream applied and also any if it needs to be reapplied (labelled in your child's bag) and also a bottle of water to refill.

Party in the playground Friday 12th July 2024

Tickets are now on sale for the Party in the playground (Summer fair) on Friday 12th July 3.30pm-6.30pm. You can pay for the tickets using your card or scanning the QR code in the office. Please be mindful that we only have a certain number of wrist bands to sell due to licensing restrictions and once all the bands are sold we won't be able to sell anymore.

Y6 Leaver's Trip to Cadbury World

Our Year 6 children had their final trip on Tuesday this week to Cadburys World. All of the children who attended (as you can imagine) enjoyed the trip, again the children's behaviour and attitude was exemplary! Well done to our fabulous Year 6 children!

Y5 P.E day at the High School

Our Year 5 children had a wonderful P.E. day at the Academy on Monday with other children from local primary schools. I collected children and it was lovely to hear a member of the Academy staff praising the children for being polite, kind and super helpful! Well done Year 5!

Penalty Notice Fines for schools are changing

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force on 19th August 2024, please see the attached flyer from Cheshire East. It is important that you read the flyer as it has some very important information about taking term time holidays from 19th August 2024.

Non uniform days

We are holding a non uniform day on **Friday 5th and Friday 12th July**. On the 5th of July we would like the children to bring in a bottle for the bottle tombola, sweet pot for the sweet stall or new/nearly new teddy donations for the Party in the playground stalls. Thank you for your support in advance of this.

Attendance

This week's winners are Year 3 in 1st place with 98.3% attendance, in 2nd place are Y4 with 97.7% and in 3rd place this week are Year 6 with 97.2%. Well done to Year 3 for being this week's overall winners again.

E-safety

This guide offers insight into the risks posed to children and young people by online gambling and advises you on how to safeguard them effectively.

Please see the attached flyer for further information.

Should you need to make contact with school, please don't hesitate to email me on: admin@egerton.cheshire.sch.uk during school hours, please note that unless there is a safeguarding concern then your email will be replied to within 5 working days.

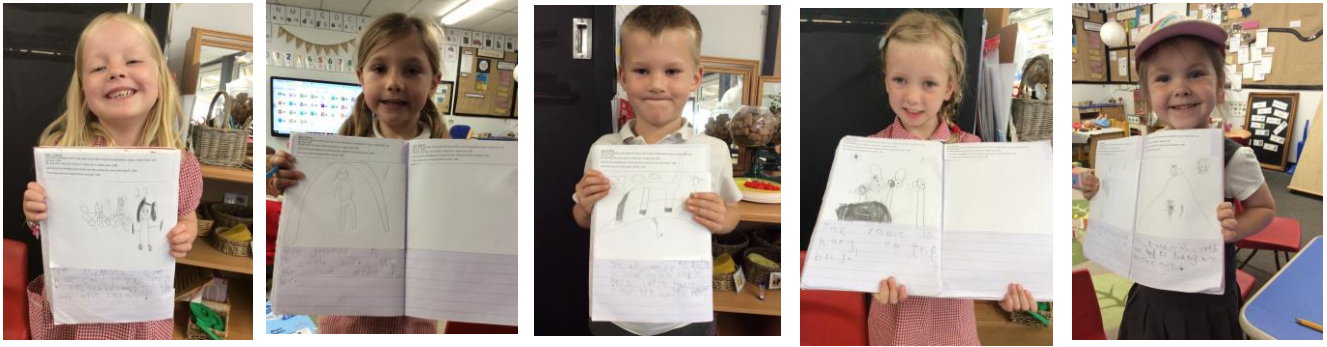

Best wishes

Caroline Lowe

Head Teacher

4.11.24	Inset Day 3
21.7.25 & 22.7.25	Inset Days 4 & 5

This half term in Reception we have been using 'Drawing Club' to create some amazing writing. Our story focus this week has been The Three Billy Goats Gruff. One of the tasks asked us to imagine another animal crossing the troll's bridge and this is what some of the children came up with.

Class 1 continued their science work on plants this week by exploring and naming evergreen and deciduous trees. We went on a tree hunt, collected leaves and grouped them based on a variety of criteria before then labelling them.

This week, our Year 6 class had an exciting visit to Cadbury World! They enjoyed a fascinating tour around the chocolate factory, learning about the chocolate-making process from bean to bar in a hands-on workshop. The 4D cinema experience was a hit, providing thrilling entertainment. Of course, no trip to Cadbury World would be complete without testing some delicious chocolate, which was a definite highlight for everyone.

This Monday, Year 5 visited Knutsford Academy to meet the PE teachers and experience different sports and games that they offer at the high school. The children were AMAZING! From their behaviour to their enthusiasm...it was fantastic to see. They were integrating with children from other schools, putting themselves out of their comfort zones to make new friendships. Furthermore, they weren't scared to get hands on and try new games showing some real talent and skill already. To top it off we had amazing weather too! The children should be so proud of themselves. A huge well done!
